

**SARAH GEPHART STANLEY**  
**AAPG Certified Petroleum Geologist #5013**  
**Texas Professional Geologist #1866**

Throughout my geoscience career, it has been my honor to be associated with the HGS. My affiliation has allowed me to come to know many fine individuals in the petroleum industry. I have also tried to advance the Houston Geological Society through my volunteerism with the AAPG, making sure that the Houston Geological Society is represented nationally. Some of my society highlights include:

- HGS and AAPG Continuing Education Committees
- AAPG Sub-Committee Chair for Technical Training Centers
- HGS Employment Committee
- AAPG House of Delegates and HoD Foreman, Long Service Award
- HoD Nominations and Awards committee
- DPA Editor

**Awards and Short Courses**

- Harrison Schmitt Award (formerly AAPG Special Award)
- HGS President's Award
- Midland College Petroleum Geotechnical Training Program Pioneer Award
- AAPG Mid Continent Short-course on Computer Software
- HGS Shortcourses include:
  - What To Do When the Bottom Drops Out Symposium
  - Unix Basics For Interpreters
  - SeisWorks for Interpreters
  - 3D Visualization Overview Symposium (assisted)

Even though the HGS is the largest local geological society, I feel that we need to continue to expand our outreach through innovation and interaction with our society members and with members of other local societies. I consider it an honor to be nominated for President Elect of the Houston Geological society, and if elected, will do my best to uphold the trust the membership has placed in me.
